APPROPRIATION BILL PASSES

OKLAHOMA LEGISLATURE PRESENTS E. C. N. PACKAGE CONTAINING ABOUT \$60,000.

ADA IS HAPPY THIS EVENING

Awful Suspense of Week Ends, and Our Normal Bids Fair to Bloom as a Rose.

The message was short but sweet. The appropriation bill carrying \$60,000 for the equipment and maintenance of the East Central Normal at Ada, passed the house this afternoon by almost unanimous consent. The vote was 80 to 3. Every republican voting for the bill.

This awful suspense has ended. The News phone has been ringing every five minutes for a week—"Heard from Guthrie?" She has passed, and by a large majority, too. We have a pretty good standing with the boys up at the capital city after all. Here and right now we went on behalf of the public express thanks and gratitude to Ratliff Huddleston and Roddie, who were inside the railing, and President Briles, J. W. Beard, E. W. Hardin, J. E. McKeel and Otis Weaver who milled around among the law makes and loved them so ardently until the vote was taken. Now we all love them, that is the go, and—well we will forgive the three who voted against it, but never would have had not the bill passed.

Ada's summer normal term is an assured fact. Hundreds of teachers will attend. Things will be lively during the vacation months, and Ada and the East Central Normal school will march forward.

TO PAY DEBTS OF INDIANS.

Circular Letters Sent Out to All Traders.

Lawton, Ok., March 18.—In response to instructions from the Interior department, Lieut. Secker is sending out circular letters today to all traders in the Indian country, licensed and unlicensed, calling for sworn statements of Indian indebtedness to them, all claims to be filed in his office not later than March 19, Saturday of this week. The letter also instructs the traders to file affidavits stating their knowledge or ignorance of the order of the department of 1904, announcing that debts would not be paid by the sale of Indian lands and that credit would be granted at the vendor's own risk. The letter closes with the statement that the purpose of this circular is once and for all to make final clean-

Mrs. Frances Work Meets Death by Fire at De Witt, Ia.

Des Moines, Ia., March 18.—Mrs. Frances Work, aged 102 years, was burned to death in the home of her son at De Witt this afternoon. It is not known how the fire started, but presumably from a lighted pipe. When found she was sitting in her chair, her clothing and hair burned from her body.

GAS MUST BE FURNISHED.

Company Loses Suit Against Citizen Who Tapped a Main.

Boone, Ia., March 18.—The supreme court of Iowa, in a decision rendered today, holds that a gas company must furnish gas to any resident in territory covered by its mains. The case decided was one in which the Boone Gas company had a citizen arrested for tapping its main after the company had denied him service.

GOVERNOR SENDS HOTTEST MESSAGE

SCORES MEMBERS OF REPUBLICAN CAUCUS.

Says Republican Party of Oklahoma Has Been Disgraced—Held Up Report.

Guthrie, Ok., March 18.—In the most caustic message of the special session, sent to the Legislature today, Gov. Haskell scores members of the republican caucus for what he characterizes as an attempt to influence votes of republican members of the house investigating committee. The committee, composed of five democrats and two republicans, heard evidence upon charges filed by Representative Maris dealing with the expenditure of money through the executive office, and the report is understood to be ready for submission. A report circulated today was that the republican caucus had instructed republican members to vote against the committee report, under the pain, democrats allege, of being "read out of the party," and in making this the basis of the message the governor suggests that such alleged practices be placed in the same category as criminal libel, punishable by fine and imprisonment.

Text of Message.

The message is as follows: "You have pending before you for your consideration a bill to prevent the spreading and contracting of a loathsome disease by vaccination or otherwise, and I recommend that you attach to said bill, as a further means of promoting health, purity of life and the promotion of the welfare of the state, a section of the following general import: "When any person is serving upon a jury in court, or upon an investigating committee in any legislature, or other public body of the state, where questions of fact or law are being considered, and a truthful report according to the law, the facts and conscience of the jurymen or members of such committee is required, that pending such hearing, preparation of the report or finding, and the consideration thereof, and until the final discharge of such jury or committee, it shall be an offense against the peace and dignity of the State of Oklahoma for any person, or aggregation of persons, whether as a party caucus or a committee, organization, or as individuals, by threats, resolutions of any kind, to influence such jury or committee in any way relating to the findings it may make upon such questions of fact or law, and the punishment by fine and imprisonment for such offense shall be the same as in other cases of promoting criminal libel upon a citizen."

Welfare of State.

"It can not be said that I seek any personal protection in this matter, because my term will have expired without future legislative session, and therefore, I can assert that it is solely for the welfare of the state that I urge this legislation.

"The credit and conduct of public officers is the standard by which the reputation of a state is measured abroad, and therefore the reckless vilification of public officers is a stab in the back of the state or community over which they preside, and the time has come in Oklahoma when this infamous practice of reckless vilification of public officers should cease, and when we should imbibe more of patriotism and less of malicious recklessness, to the end that when either political party has prevailed at the election and placed its candidates in offices for the ensuing term every honorable citizen will give honest and patriotic support to such officer, and the citizen who would withhold such support and recklessly vilify him can not too soon be stamped as a criminal and be punished for his unpatriotic conduct."

Refers to Investigation.

Referring to the investigation for which the House committee was appointed, the message says:

"The hearings were had, the evidence introduced, the arguments made and left to themselves, the honorable committee would long since have rendered its report, but to the discredit of some of those who claim to represent one of the great political parties of the nation, they have presumed to make the conscience, the honesty the integrity of some of

the action of the Democratic pri-
maries occurring August 2nd.

resent Democrats, who are regardful
of the proper support of the Demo-
cratic press and respectful toward
the wishes of the people who desire
to become well acquainted with the
name and reputation of the man for
whom they vote.

HENRY J. BROWN

A. M. CROXTON.

Judge A. M. Croxton today author-
izes his announcement for the office
of County Judge, subject to the ac-
tion of the democratic primary.

It will be remembered that Mr.
Croxton was a very formidable can-
didate for this office three years ago,
but was forced to withdraw on ac-
count of a severe attack of rheuma-
tism which held him close to his
bed of affliction almost during the
entire campaign; but during this
campaign it is hoped that he will be
able to run the race to a finish.

Judge Croxton has enjoyed a pros-
perous practice at the bar for a good
number of years, and is thoroughly
qualified to occupy the county judge-
ship. If there is any one thing known
absolutely about this lawyer and
gentleman it is the fact that he
stands pat on all question having to
do with the morals of the community.
He is a christian gentleman of the
highest order and there is little doubt
but what if elected he will give the
county a clean and worthy adminis-
tration. We commend him to your
thoughtful consideration.

W. T. COX.

We take pleasure in announcing to
the public that Col. W. T. Cox of-
fers himself as a candidate for the
office of District Clerk of Pontotoc
county, subject to the action of the
democratic primary. Mr. Cox has
served the county in this capacity
since statehood and has made a
good and efficient official. In fact
he is at home in the district clerk's
office, having served his old Texas
home county, Collin, as clerk for
several consecutive terms. Mr. Cox
is a level headed democrat and very
pronounced in his convictions as to
party policy and behavior. He is a
good citizen, good neighbor, and a
good friend and deserves thoughtful
consideration at the hands of Pon-
totoc county democrats in the coming
campaign.

How about the laws against gam-
bling? Do they apply to Ada any more?
Didn't know, so just thought we
would ask.

PAULHAN ARGUMENT HEARD.

Business Manager Wants Injunction
to Keep Aeroplanes.

New York, March 18.—Arguments
on the application of Edwin Cleary,
business manager of Louis Paulhan,
the French aviator, for a permanent
injunction restraining Paulhan from
taking his four aeroplanes out of the
country were heard today before Su-
preme Court Justice Newburger.

Frederick H. Van Zandt, Mr.
Cleary's attorney, said that by the
terms of Cleary's contract with Paul-
han the aviator was to receive a sal-
ary of \$24,000 a month for giving
aeroplane exhibitions in this coun-
try. Paulhan stopped his flights on
account of the injunction obtained by
the Wright brothers restraining him
from giving exhibitions. An arrange-
ment was made whereby the Wright
brothers would be reimbursed if they
won their suit, but despite this fact,
Paulhan, after giving two exhibi-
tions at Jamaica, said he was going
back to France.

The lawyer said Mr. Cleary had
spent \$110,000 in salary and expenses
and that if Paulhan would make the
flights contracted for he might get
back some of the money. The court
gave the lawyers on both sides un-
til Friday to file briefs.

MRS. INGERSOLL GETS FREE.

Widow Is Paid for Husband' Legal
Services in Will Contest.

Boston, March 18.—After a ten
years' legal struggle, Mrs. Eva Ingersoll
of Dobbs Ferry, Nev., received to-
day a fee of \$183,323 due her late
husband, Col. Robert G. Ingersoll, for
his efforts in contesting the will of
Andrew J. Davis, the millionaire
mine owner of Butte, Mont.

The check was made out by the
clerk of the United States circuit
court. The result of this suit is only
a phase in the twenty-year contest
over the Davis estate.

Robert G. Ingersoll was engaged
to break the will, but instead got a
large settlement for the contesting
heirs, and the court awarded this es-
tate the fee, which was paid today.

CARUSO NERVOUS IN COURT.

Sawed-Off Shotgun and Revolver Evi-

New York, March 18.—Nervous and
with roving eyes, Enrico Caruso the
tenor, appeared in a Brooklyn po-
lice court today as a witness against
Antonio Misiano and Antonio Cineotti
who are accused of trying to extort
\$15,000 from him by threatening let-
ters signed "Black Hand." Two body-
guards accompanied Caruso on the
subway and into court.

The letters were read, and a re-
volver found on one prisoner and a
sawed-off shotgun thrown away by
the other when they were arrested,
were offered in evidence. Detectives
testified to watching the spot where
Caruso's secretary had left a bogus
bank roll as instructed in the let-
ters, and told how they made the ar-
rest. The prisoners were held in \$5,-
000 bail, pending further examina-
tion.

DON'T BE BALD

Almost Any One May Secure a Splen-
did Growth of Hair.

You can easily find out for your-
self if your hair needs nourishment,
if it is thinning, getting dry, harsh
and brittle, or splitting at the ends.
You simply have to pull a hair from
the top of your head and closely ex-
amine its root. If the bulb is plump
and rosy it is all right. If it is white
and shrunken your hair is diseased
and needs nourishment.

We have a remedy for hair trou-
bles that cannot be surpassed. It has
a record of growing hair and cur-
ing baldness in 93 out of 100 cases
where used according to directions
for a reasonable length of time. It
will even grow hair on bald heads
if the scalp is not glazed and shiny.
That may seem like a strong state-
ment—it is, and we mean it to be,
and no one should doubt it until they
have put our claims to an actual
test.

We are so sure that Rexall "93"
Hair Tonic will completely erad-
icate dandruff, prevent baldness, stimu-
late the scalp and hair roots, stop
falling hair and grow new hair, that
we personally give our positive guar-
antee to refund every penny paid
us for Rexall "93" Hair Tonic in ev-
ery instance where it does not do
as we claim or fails to give entire
satisfaction to the user.

Rexall "93" Hair Tonic is as pleas-
ant to use as clear spring water. It
is perfumed with a pleasant odor,
and does not grease or gum the hair.
We have it in two sizes, prices 50
cents and \$1.00. We urge you to try
Rexall "93" Hair Tonic on our rec-
ommendation and with our guaran-
tee back of it. You certainly take no
risk. Remember, you can obtain Rex-

Alf Hunter, Negro Sentenced to Hang
April 8 at Watonga.

Guthrie, Ok., March 18.—Alf Hunt-
er, a negro, convicted of the murder
of Sheriff Garrison of Oklahoma
County, and the date of whose execu-
tion is set for April 8 at Watonga,
Blaine county, is in solitary confine-
ment at the McAlester penitentiary.
Hunter was being pursued by an Ok-
lahoma county posse, led by the late
Sheriff Garrison, for the murder of
a woman at Oklahoma City, and in
a running fight near Watonga the
sheriff was killed. The negro escaped
to Arkansas, and was arrested for a
crime committed in that state. The
Arkansas officers refused to sur-
render the prisoner until Governor
Haskell gave his official guarantee
that Hunter would be protected in
Oklahoma and given trial. He was
returned to Blaine county, convicted
and given the death sentence.

Pending decision of the case on
appeal, the negro was taken to Mc-
Alester for safe keeping. Recently
the court affirmed Hunter's convic-
tion, naming April 8 the date for
execution and the prisoner was then
placed in solitary confinement un-
der guard. He will not be taken to
Watonga until the day before execu-
tion.

Much Time Has Been Devoted to Practice—All Are Attractive Numbers.

The Normal orchestra will give a concert tomorrow night at the Normal auditorium which promises to be one of the best entertainments of a musical nature yet given. The numbers are all attractive, and much pains has been given to their preparation.

The proceeds of these concerts are used to provide new music and to add instruments to the equipment which those in charge hope to have complete by the beginning of another term. Already several new instruments have been purchased, but many more are needed. A hearty response to the invitation to be present will be appreciated by those who are laboring to make this a success.

LEGISLATURE VOTES TO ADJOURN TODAY

DAY IS SPENT BY CALLING THE ROLLS.

Taylor Bill Finally Passed—Bryan Election Law Goes Through House.

Guthrie, Ok., March 18.—Both houses of the legislature today adopted a concurrent resolution adjourning the special session sine die at noon tomorrow, and spent the day in calling the roll on final adoption of bills and conference committee reports.

The House adopted the senate's amendments to the Jahn-Burnette bill which abolishes the state and local dispensaries, after the measure had gone through a conference committee. As the bill goes to the governor the state ceases the sale of intoxicating liquors on doctors' prescriptions or otherwise to the individual purchaser for medicinal purposes and maintains the state agency only for wholesaling alcohol for pharmaceutical scientific purposes. The act requires that all liquors confiscated shall be sold under direction of the state agent, and after retaining 10 per cent of the net proceeds, the state remits 90 per cent to the county, district or city where the seizure was made, there to be applied to the salary funds. The only division of the vote today was on the part of those members who believed all confiscated liquors should be destroyed. The bill passed finally in the house by a vote of 56 to 36.

It is intimated in the lobbies tonight that the Governor will veto the legislation for the reason he did not recommend this phase of the statute to the legislature for consideration.

The Bryan election law was put amendments by a vote of 59 to 25. The law returns to the emblem ballot feature of the old Territorial election law, creates state and county and precinct election boards, and at the polls to handle the vote provides two clerks and two counters. No more than half of this force shall be from the same political party.

Taylor Bill Passed.

Another election measure passed finally in the house was the Taylor bill, amending the initiative and referendum act of the First legislature and the fixing a procedure for submitting constitutional amendments to a vote of the people. Only those amendments initiated by the people and which were first suggested by the legislature can be submitted under terms of the Taylor law and its approval will pave the way for submitting the so-called "grandfather" clause to the suffrage article of the Constitution.

Cope's bill re-enacting the Territorial law for challenging voters was passed.

Russell's bill apportioning the state into judicial districts passed the house but against it the republican minority made a final stand. As amended, the bill calls for eighteen districts and twenty-nine judges. The district of Washington and Osage counties was abolished and they were added to Ottawa, Craig, Nowata Rogers and Mayes counties, with two judges. The number of judges for the

Muskogee-Bryan county district was increased from three to four and the district revised into nominating sections as follows: Oklahoma, Johnston and Marshall counties; Pittsburg and McIntosh counties, with Bryan county and Muskogee county each by themselves. The Oklahoma-Carter county district was given four, in place of three, judges, and the nominating sections arranged as follows: Cleveland and McClain counties; Garvin and Murray counties; Carter and Love counties, and Oklahoma county in a nominating section by itself.

Blaine county was taken from the proposed district of Jefferson, Stephens, Grady, Caddo and Canadian counties and the district given two, in place of three, judges, and the nominating sections made as follows: Blaine, Canadian and Caddo counties; Grady, Stephens and Jefferson counties. Blaine county was then added to the district of Kiowa, Washita and Custer counties. The Eighteenth, or Jumbo, District of Western Oklahoma, which has three judges, was placed in the following nominating sections: Harmon, Greer, Beckham, Roger Mills, Dewey, Ellis, Woodward and Woods counties, to nominate two judges, and Harper, Beaver, Texas and Cimarron counties to nominate one judge. Under Mr. Durant's amendment, which the house adopted the new apportionment does not become effective until after the next general election, but requires nominations to be made under its terms.

WOMEN ENTER CAMPAIGN.

Christian Temperance Union Will Oppose Plan.

Wewoka, Ok., March 18.—Behind closed doors in the Baptist church today twenty members of the state executive committee of the Woman's Christian Temperance Union, headed by Mrs. Cora D. Hammett of Oklahoma City, president, began laying plans for a state-wide campaign against the resubmissionists who are to open their campaign in Oklahoma Saturday night. Resolutions were adopted commending Gov. Haskell for refusing to officially accept the petitions filed with the secretary of state by the high license advocates, and provision was made to employ counsel to defend the prohibition ordinance of the constitution on the grounds that an appeal would not be legal under the enabling act and Indian treaties. Miss Lillian N. Phelps of New York addressed the committee tonight.

ARCTIC EXPLORER DEAD.

Figured Prominently in Functions Arranged in Honor of Dr. Cook.

Copenhagen, March 18.—Commodore Hovgaard, the Danish Arctic explorer, died today.

Commodore Hovgaard figured prominently in the functions arranged in honor of Dr. Frederick A. Cook upon his recent visit to Copenhagen, and he was one of the first to credit the claims of the American explorer. Following the rejection of Cook's claims by the University of Copenhagen, the Danish explorer declared that though it had not been proved that the American did not reach the North Pole, he could regard Cook thereafter only as an imposter.

GENERAL'S BODY NOT WANTED.

Medical Society Declines to Dissect, as Will Provides.

Peoria, Ill., March 18.—Among the many peculiar provisions of the will of the late General John Greene Balance, who died at Miami, Fla., about a month ago, was one giving his body to the Peoria Medical Society for dissection. The provision was carried out, insofar as offering the body was concerned, but today the medical society declined to accept the tender and the body will be interred.

London, March 18.—A bottle which was thrown overboard from Commander Peary's Arctic ship Roosevelt off Greenland September 2, 1909, was picked up off Kinsale, Ireland, today. A letter enclosed in the bottle and addressed to E. Millan of Frankfort-on-the-Main says that the bottle was set adrift with the object of ascertaining the rate of the current on the Labrador coast.

LUNCHEON TIT-BITS

DELICACIES A LITTLE OUT OF THE ORDINARY.

Will Give Distinctive Feature to Entertainment—Color Scheme a Chief Part of the Ideas That Are Set Forth.

Green Mayonnaise for a green luncheon: Take leaves of chevril, tarragon, chives, parsley and spinach, lettuce, or water cress and pound them in a mortar with a teaspoon of lemon juice. Express the juice from this mixture and add it to the mayonnaise. In this form it is called Ravigote sauce. For deeper coloring add mashed green peas.

Halibut Timbales for a white luncheon: Take a half pound of halibut, cut it into fine pieces and pound them in a mortar until they can be passed through a sieve. Mix a cup of white bread crumbs, and a half cup of milk. Stir these over the fire to a smooth paste. Then remove from the fire and mix with the fish, adding a half teaspoon of salt and a dash of paprika. Beat lightly the whites of five eggs, and add to the mixture. Fill a buttered timbale mold, or the individual molds as preferred, and set them in a pan of hot water in a moderate oven. Bake 20 minutes, and serve with a white sauce.

Pistache cake for a green tea: Make a three-layer cake with the whites of nine eggs, two cups of granulated sugar, three heaping cups of flour sifted several times, one cup of butter, one cup of milk, two teaspoons of baking powder, and one teaspoon of lemon juice. Between the layers put a cream filling made of the yolks of five eggs, a half cup of sugar, one teaspoonful of corn starch, and two cups of boiling milk. Stir over the fire until thick, then flavor with orange flower water and bitter almonds, to give it a pistache flavor and color a delicate green with confectioner's color. Tint the icing also green and sprinkle with chopped pistache nuts.

Fruit Salad: Select a pineapple, if possible with the green tufts at the end. Cut it off horizontally one-third from the top and scoop out the greater part of the inside. Peel three nectarine oranges and cut them in small pieces; in like manner peel and cut four bananas. Peel and take the seeds out of two pounds of Muscat and California grapes. Put all these in a bowl. Take another bowl and squeeze into it the juice of two oranges, and add a half-pound of powdered sugar, a half-pint of maraschino, a gill of brandy, and three tablespoons of crushed ice. Mix well and having filled the pineapple with the fruit, pour over the dressing, cover with whipped cream and decorate with grapes.

Chestnut Salad: Boil until tender Italian, French or Spanish chestnuts, remove the shells and skins and rub them through a sieve. Pile them in a light powdery heap in a glass dish. Pour over them a wine glass of sherry or Marsala, and cover with whipped cream.

APPROPRIATION BILL PASSES

OKLAHOMA LEGISLATURE PRESENTS E. C. N. PACKAGE CONTAINING ABOUT \$60,000.

ADA IS HAPPY THIS EVENING

Awful Suspense of Week Ends, and Our Normal Bids Fair to Bloom as a Rose.

The message was short but sweet. The appropriation bill carrying \$60,000 for the equipment and maintenance of the East Central Normal at Ada, passed the house this afternoon by almost unanimous consent. The vote was 30 to 3 every republican voting for the bill.

This awful suspense has ended. The News phone has been ringing every five minutes for a week—Heard from Guthrie? She has passed and by a large majority too. We have a pretty good standing with the boys up at the capital city after all. Here and there now we want on behalf of the public express thanks and gratitude to Rathbun Huddleston and Roddie who were inside the talking and President Biles J. W. Beard E. W. Hardin J. F. McKeel and Ous Weaver who milled around among the law makes and loved them so ardently until the vote was taken. Now we all love them that is the go and—

All we will forgive the three who voted against it but never would have had not the bill passed. Ada's summer normal term is an assured fact. Hundreds of teachers will attend things will be lively during the vacation months and Ada and the East Central Normal school will march forward.

The letter closes with the statement that the purpose of this circular is once and for all to make final clean-

GOVERNOR SENDS HOTTEST MESSAGE

SCORES MEMBERS OF REPUBLICAN CAUCUS.

Says Republican Party of Oklahoma Has Been Disgraced—Held Up Report.

Guthrie, Ok., March 18—In the most caustic message of the special session, sent to the Legislature today, Gov. Haskell scores members of the republican caucus for what he characterizes as an attempt to influence votes of republican members of the house investigating committee. The committee, composed of five democrats and two republicans, heard evidence upon charges filed by Representative Maris dealing with the expenditure of money through the executive office and the report is understood to be ready for submission. A report circulated today was that the republican caucus had instructed republican members to vote against the committee report under the pain, democrats allege of being 'read out of the party' and in making this the basis of the message the governor suggests that such alleged practices be placed in the same category as criminal libel punishable by fine and imprisonment.

Text of Message.

The message is as follows: You have pending before you for your consideration a bill to prevent the spreading and contracting of a loathsome disease by vaccination or otherwise and I recommend that you attach to said bill as a further means of promoting health purity of life and the promotion of the welfare of the state, a section of the following general import:

When any person is serving upon a jury in court or upon an investigating committee in any legislature, or other public body of the state, where questions of fact or law are being considered and a truthful report according to the law the facts and conscience of the jurymen or members of such committee is required that pending such hearing preparation of the report or finding and the consideration thereof and until the final discharge of such jury or committee, it shall be an offense against the peace and dignity of the State of Oklahoma for any person, or aggregation of persons, whether as a party caucus or a committee, organization, or as individuals, by threats, resolutions of any kind, to influence such jury or committee in any way relating to the findings of fact or law, and the punishment by fine and imprisonment for such offense shall be the same as in other cases of promoting criminal libel upon a citizen.

Welfare of State.

It can not be said that I seek any personal protection in this matter, because my term will have expired without future legislative session and therefore I can assert that it is solely for the welfare of the state that I urge this legislation.

The credit and conduct of public officers is the standard by which the reputation of a state is measured abroad and therefore the reckless vilification of public officers is a stab in the back of the state or community over which they preside and the time has come in Oklahoma when this infamous practice of reckless vilification of public officers should cease and when we should imbibe more of patriotism and less of malicious recklessness to the end that when either political party has prevailed at the election and placed its candidates in offices for the ensuing term every honorable citizen will give honest and patriotic support to such officer and the citizen who would withhold such support and recklessly vilify him can not too soon be stamped as a criminal and be punished for his unpatriotic conduct.

Refers to Investigation.

Referring to the investigation for which the House committee was appointed the message says: The hearings were had, the evidence introduced, the arguments made and left to themselves, the honorable committee would long since have rendered its report, but to the discredit of some of those who claim to represent one of the great political parties of the nation, they have refused to make the confidence the honesty the integrity of some of

the members of that committee a matter of caucus partisanship where the conscience of those members could be bandied about and voted upon as a partisan matter by men who had heard no evidence studied no facts and were not responsible for the honest conclusions that should be attained. Can it be conceded for one moment that this caucus can look the people of Oklahoma in the face and say, As a party caucus we demanded of certain members of this committee that their oaths should be violated, their conscience laid aside and petty politics made out of the sacred right of a citizen and a public official?

It is the privilege of one of these caucus dictators, who, after having acted as an attorney in the hearing of those charges, after having examined his witnesses and made his arguments and filed his brief, is still his privilege to go into the secret sessions of a partisan caucus and there seek to dictate to the honorable members of this committee by a partisan vote of those who are not upon the committee?

Calls Attempt Disgrace.

The great republican party of this state with its thousands of honorable members can never fail to feel the disgrace that was attempted night before last when a partisan caucus demanded of its members that they ignore their oath ignore their conscience and look only to petty contemptible partisanship.

This persistent caucus action which has held up the report of this committee for days has become so well known to the public in general a sto have fully convinced the public that nothing but the party lash wielded by men too cowardly for open combat has prevented an earlier report.

We fully realize that men of the highest honorable purpose may hesitate to be guided by their conscience when the threat is held over their heads that they will be condemned by their party organization and it is no wonder that they deliberate and hesitate in taking action in the presence of such threat and yet it is vastly to their credit that they refuse to submit to such partisan dictation and urge the enactment of law as stated, so that future public officers and the reputation of Oklahoma in the future may not be embarrassed and blasted by a recurrence of such infamous practice as this caucus resorted to in this instance. If the purity of juries and like committee service is to be destroyed, and partisan or personal spite be substituted for honest conscience, the time has certainly come

when law should penalize such practice. Respectfully submitted.

C. N. HASKELL, Governor. In this connection the republican caucus adopted a series of declarations in regard to the investigation and the proposed report which, it is understood, were limited to the Maris charges upon the fiscal affairs of the governor's office.

Based on the Maris charges is that he, the said C. N. Haskell has mismanaged the public funds under his control, and in its declarations the caucus finds that the charges have been sustained in every particular. This includes payments of money to O. T. Smith and Detective Lawler of Oklahoma City, employment of Attorneys Hutchings and Day and John Flenner, a Washington newspaper correspondent, as statistical clerk, and the employment of W. B. Anthony, member of the legislature as private secretary to the governor. In addition the caucus declared the charges as to paying an additional salary to Lieut. Gov. Bellamy and the expenditure of money through the state school fund department to have been sustained.

the action of the Democratic pri-
maries occurring August 2nd.

resent Democrats, who are regardless

cratic press and respectful toward
the wishes of the people who desire
to become well acquainted with the
name and reputation of the man for
whom they vote.

Justice of the Peace, Ada Precinct:

HENRY J. BROWN

A. M. CROXTON.

Judge A. M. Croxton today author-
izes his announcement for the office
of County Judge, subject to the ac-
tion of the democratic primary.

It will be remembered that Mr.
Croxton was a very formidable can-
didate for this office three years ago,
but was forced to withdraw on ac-
count of a severe attack of rheuma-
tism which held him close to his
bed of affliction almost during the
entire campaign; but during this
campaign it is hoped that he will be
able to run the race to a finish.

Judge Croxton has enjoyed a pros-
perous practice at the bar for a good
number of years, and is thoroughly
qualified to occupy the county judge-
ship. If there is any one thing known
absolutely about this lawyer and
gentleman it is the fact that he
stands pat on all question having to
do with the morals of the community.
He is a christian gentleman of the
highest order and there is little doubt
but what if elected he will give the
county a clean and worthy adminis-
tration. We commend him to your
thoughtful consideration.

W. T. COX.

We take pleasure in announcing to
the public that Col. W. T. Cox of-
fers himself as a candidate for the
office of District Clerk of Pontotoc
county, subject to the action of the
democratic primary. Mr. Cox has
served the county in this capacity
since statehood and has made a
good and efficient official. In fact
he is at home in the district clerk's
office, having served his old Texas
home county, Collin, as clerk for
several consecutive terms. Mr. Cox
is a level headed democrat and very
pronounced in his convictions as to
party policy and behavior. He is a
good citizen, good neighbor, and a
good friend and deserves thoughtful
consideration at the hands of Pon-
totoe county democrats in the coming
campaign.

How about the laws against gam-
bling? Do they apply to Ada any more?
Didn't know, so just thought we
would ask.

PAULHAN ARGUMENT HEARD.

Business Manager Wants Injunction
to Keep Aeroplanes.

New York, March 18.—Arguments
on the application of Edwin Cleary,
business manager of Louis Paulhan,
the French aviator, for a permanent
injunction restraining Paulhan from
taking his four aeroplanes out of the
country were heard today before Su-
preme Court Justice Newburger.
Frederick H. Van Zandt, Mr.
Cleary's attorney, said that by the
terms of Cleary's contract with Paul-
han the aviator was to receive a sal-
ary of \$24,000 a month for giving
aeroplane exhibitions in this coun-
try. Paulhan stopped his flights on
account of the injunction obtained by
the Wright brothers restraining him
from giving exhibitions. An arrange-
ment was made whereby the Wright
brothers would be reimbursed if they
won their suit, but despite this fact,
Paulhan, after giving two exhibi-
tions at Jamaica, said he was going
back to France.

The lawyer said Mr. Cleary had
spent \$110,000 in salary and expenses
and that if Paulhan would make the
flights contracted for he might get
back some of the money. The court
gave the lawyers on both sides un-
til Friday to file briefs.

MRS. INGERSOLL GETS FREE.

Widow Is Paid for Husband' Legal
Services in Will Contest.

Boston, March 18.—After a ten
years' legal struggle, Mrs. Eva Ingersoll
of Dobbs Ferry, N.Y., received to-
day a fee of \$183,323 due her late
husband, Col. Robert G. Ingersoll, for
his efforts in contesting the will of
Andrew J. Davis, the millionaire
mine owner of Butte, Mont.

The check was made out by the
clerk of the United States circuit
court. The result of this suit is only
a phase in the twenty-year contest
over the Davis estate.

Robert G. Ingersoll was engaged
to break the will, but instead got a
large settlement for the contesting
heirs, and the court awarded this es-
tate the fee, which was paid today.

CARUSO NERVOUS IN COURT.

Sawed-Off Shotgun and Revolver Evi-
dence Against Suspects.

New York, March 18.—Nervous and
with roving eyes, Enrico Caruso the
tenor, appeared in a Brooklyn po-
lice court today as a witness against
Antonio Mislano and Antonio Cincotti
who are accused of trying to extort
\$15,000 from him by threatening let-
ters signed "Black Hand." Two body-
guards accompanied Caruso on the
subway and into court.

The letters were read, and a re-
volver found on one prisoner and a
sawed-off shotgun thrown away by
the other when they were arrested,
were offered in evidence. Detectives
testified to watching the spot where
Caruso's secretary had left a bogus
bank roll as instructed in the let-
ters, and told how they made the ar-
rest. The prisoners were held in \$5,-
000 bail, pending further examina-
tion.

DON'T BE BALD

Almost Any One May Secure a Splen-
did Growth of Hair.

You can easily find out for your-
self if your hair needs nourishment,
if it is thinning, getting dry, harsh
and brittle, or splitting at the ends.
You simply have to pull a hair from
the top of your head and closely ex-
amine its root. If the bulb is plump
and rosy it is all right, if it is white
and shrunken your hair is diseased
and needs nourishment.

We have a remedy for hair trou-
bles that cannot be surpassed. It has
a record of growing hair and cur-
ing baldness in 93 out of 100 cases
where used according to directions
for a reasonable length of time. It
will even grow hair on bald heads
if the scalp is not glazed and shiny.
That may seem like a strong state-
ment—it is, and we mean it to be,
and no one should doubt it until they
have put our claims to an actual
test.

We are so sure that Rexall "93"
Hair Tonic will completely eadi-
cate dandruff, prevent baldness, stim-
ulate the scalp and hair roots, stop
falling hair and grow new hair, that
we personally give our positive guar-
antee to refund every penny paid
us for Rexall "93" Hair Tonic in
every instance where it does not do
as we claim or fails to give entire
satisfaction to the user.

Rexall "93" Hair Tonic is as pleas-
ant to use as clear spring water. It
is perfumed with a pleasant odor,
and does not grease or gum the hair.
We have it in two sizes, prices 50
cents and \$1.00. We urge you to try
Rexall "93" Hair Tonic on our rec-
ommendation and with our guaran-
tee back of it. You certainly take no
risk. Remember, you can obtain Rex-
all Remedies in Ada only at our
store—the Rexall Store. The Gwin &

IN SOLITARY CONFINEMENT.

Alf Hunter, Negro Sentenced to Hang
April 8 at Watonga.

Guthrie, Ok., March 18.—Alf Hun-
ter, a negro, convicted of the murder
of Sheriff Garrison of Oklahoma
County, and the date of whose execu-
tion is set for April 8 at Watonga,
Blaine county, is in solitary confine-
ment at the McAlester penitentiary.
Hunter was being pursued by an Ok-
lahoma county posse, led by the late
Sheriff Garrison, for the murder of
a woman at Oklahoma City, and in
a running fight near Watonga the
sheriff was killed. The negro escaped
to Arkansas, and was arrested for a
crime committed in that state. The
Arkansas officers refused to suc-
render the prisoner until Governor
Haskell gave his official guarantee
that Hunter would be protected in
Oklahoma and given trial. He was
returned to Blaine county, convicted
and given the death sentence.

Pending decision of the case on
appeal, the negro was taken to Mc-
Alester for safe keeping. Recently
the court affirmed Hunter's convic-
tion, naming April 8 the date for
execution and the prisoner was then
placed in solitary confinement un-
der guard. He will not be taken to
Watonga until the day before execu-
tion.

LEGISLATURE VOTES TO ADJOURN TODAY

DAY IS SPENT BY CALLING THE ROLLS.

Taylor Bill Finally Passed—Bryan Election Law Goes Through House.

Guthrie, Ok., March 18.—Both houses of the legislature today adopted a concurrent resolution adjourning the special session sine die at noon tomorrow, and spent the day in calling the roll on final adoption of bills and conference committee reports.

The House adopted the senate's amendments to the Jahn-Burnette bill which abolishes the state and local dispensaries, after the measure had gone through a conference committee. As the bill goes to the governor the state ceases the sale of intoxicating liquors on doctors' prescriptions or otherwise to the individual purchaser for medicinal purposes and maintains the state agency only for wholesaling alcohol for pharmaceutical scientific purposes. The act requires that all liquors confiscated shall be sold under direction of the state agent, and after retaining 10 per cent of the net proceeds, the state remits 90 per cent to the county, district or city where the seizure was made, there to be applied to the salary funds. The only division of the vote today was on the part of those members who believed all confiscated liquors should be destroyed. The bill passed finally in the house by a vote of 55 to 36.

It is intimated in the lobbies tonight that the Governor will veto the legislation for the reason he did not recommend this phase of the statute to the legislature for consideration.

The Bryan election law was put amendments by a vote of 59 to 25. The law returns to the emblem ballot feature of the old Territorial election law, creates state and county and precinct election boards, and at the polls to handle the vote provides two clerks and two counters. No more than half of this force shall be from the same political party.

Taylor Bill Passed. Another election measure passed finally in the house was the Taylor bill, amending the initiative and referendum act of the first legislature and the fixing a procedure for submitting constitutional amendments to a vote of the people. Only those amendments initiated by the people and which were first suggested by the legislature can be submitted under terms of the Taylor law and its approval will pave the way for submitting the so-called "grandfather" clause to the suffrage article of the Constitution.

Cope's bill re-enacting the Territorial law for challenging voters was passed.

Russell's bill apportioning the state into judicial districts passed the house but against it the republican minority made a final stand. As amended, the bill calls for eighteen districts and twenty-nine judges. The district of Washington and Osage counties was abolished and they were added to Ottawa, Craig, Nowata Rogers and Mayes counties, with two judges. The number of judges for the

Muskogee-Bryan county district was increased from three to four and the district revised into nominating sections as follows: Oklahoma, Johnston and Marshall counties; Pittsburg and McIntosh counties, with Bryan county and Muskogee county each by themselves. The Oklahoma-Carter county district was given four, in place of three, judges, and the nominating sections arranged as follows: Cleveland and McClain counties; Garvin and Murray counties; Carter and Love counties, and Oklahoma county in a nominating section by itself.

Blaine county was taken from the proposed district of Jefferson, Stephens, Grady, Caddo and Canadian counties and the district given two, in place of three, judges, and the nominating sections made as follows: Blaine, Canadian and Caddo counties; Grady, Stephens and Jefferson counties. Blaine county was then added to the district of Kiowa, Washita and Custer counties. The Eighteenth, or Jumbo, District of Western Oklahoma, which has three judges, was placed in the following nominating sections: Harmon, Greer, Beckham, Roger Mills, Dewey, Ellis, Woodward and Woods counties, to nominate two judges, and Harper, Beaver, Texas and Cimarron counties to nominate one judge. Under Mr. Durant's amendment, which the house adopted the new apportionment does not become effective until after the next general election, but requires nominations to be made under its terms.

WOMEN ENTER CAMPAIGN.

Christian Temperance Union Will Oppose Plan.

Wewoka, Ok., March 18.—Behind closed doors in the Baptist church today twenty members of the state executive committee of the Woman's Christian Temperance Union, headed by Mrs. Cora D. Hammett of Oklahoma City, president, began laying plans for a state-wide campaign against the resubmissionists who are to open their campaign in Oklahoma Saturday night. Resolutions were adopted commending Gov. Haskell for refusing to officially accept the petitions filed with the secretary of state by the high license advocates, and provision was made to employ counsel to defend the prohibition ordinance of the constitution on the grounds that an appeal would not be legal under the enabling act and Indian treaties. Miss Lillian N. Phelps of New York addressed the committee tonight.

ARCTIC EXPLORER DEAD.

Figured Prominently in Functions Arranged in Honor of Dr. Cook.

Copenhagen, March 18.—Commodore Hovgaard, the Danish Arctic explorer, died today.

Commodore Hovgaard figured prominently in the functions arranged in honor of Dr. Frederick A. Cook upon his recent visit to Copenhagen, and he was one of the first to credit the claims of the American explorer. Following the rejection of Cook's claims by the University of Copenhagen, the Danish explorer declared that though it had not been proved that the American did not reach the North Pole, he could regard Cook thereafter only as an impostor.

Peoria, Ill., March 18.—Among the many peculiar provisions of the will of the late General John Greene Ballance, who died at Miami, Fla., about a month ago, was one giving his body to the Peoria Medical Society for dissection. The provision was carried out, insofar as offering the body was concerned, but today the medical society declined to accept the tender and the body will be interred.

LUNCHEON TIT-BITS

DELICACIES A LITTLE OUT OF THE ORDINARY.

Will Give Distinctive Feature to Entertainment—Color Scheme a Chief Part of the Ideas That Are Set Forth.

Green Mayonnaise for a green luncheon: Take leaves of chevril, tarragon, chives, parsley and spinach, lettuce, or water cress and pound them in a mortar with a teaspoon of lemon juice. Express the juice from this mixture and add it to the mayonnaise. In this form it is called Ravigote sauce. For deeper coloring add mashed green peas.

Halibut Timbales for a white luncheon: Take a half pound of halibut, cut it into fine pieces and pound them in a mortar until they can be passed through a sieve. Mix a cup of white bread crumbs, and a half cup of milk. Stir these over the fire to a smooth paste. Then remove from the fire and mix with the fish, adding a half teaspoon of salt and a dash of paprika. Beat lightly the whites of five eggs, and add to the mixture. Fill a buttered timbale mold, or the individual molds as preferred, and set them in a pan of hot water in a moderate oven. Bake 20 minutes, and serve with a white sauce.

Pistache cake for a green tea: Make a three-layer cake with the whites of nine eggs, two cups of granulated sugar, three heaping cups of flour sifted several times, one cup of butter, one cup of milk, two teaspoons of baking powder, and one teaspoon of lemon juice. Between the layers put a cream filling made of the yolks of five eggs, a half cup of sugar, one teaspoonful of corn starch, and two cups of boiling milk. Stir over the fire until thick, then flavor with orange flower water and bitter almonds, to give it a pistache flavor and color a delicate green with confectioner's color. Tint the icing also green and sprinkle with chopped pistache nuts.

Fruit Salad: Select a pineapple, if possible with the green tufts at the end. Cut it off horizontally one-third from the top and scoop out the greater part of the inside. Peel three neartine oranges and cut them in small pieces; in like manner peel and cut four bananas. Peel and take the seeds out of two pounds of Muscat and California grapes. Put all these in a bowl. Take another bowl and squeeze into it the juice of two oranges, and add a half-pound of powdered sugar, a half pint of maraschino, a gill of brandy, and three tablespoons of crushed ice. Mix well and having filled the pineapple with the fruit, pour over the dressing, cover with whipped cream and decorate with grapes.

Chestnut Salad: Boil until tender Italian, French or Spanish chestnuts, remove the shells and skins and rub them through a sieve. Pile them in a light powdery heap in a glass dish. Pour over them a wine glass of sherry or Marsala, and cover with whipped cream.

APPROPRIATION BILL PASSES

OKLAHOMA LEGISLATURE PRESENTS E. C. N. PACKAGE CONTAINING ABOUT \$80,000.

ADA IS HAPPY THIS EVENING

Awful Suspense of Week Ends, and Our Normal Bids Fair to Bloom as a Rose.

The message was short but sweet. The appropriation bill carrying \$80,000 for the equipment and maintenance of the East Central Normal at Ada, passed the house this afternoon by almost unanimous consent. The vote was 80 to 3 every republican voting for the bill.

This awful suspense has ended. The news phone has been ringing every five minutes for a week—Heard from Guthrie? She has passed and by a large majority too. We have a pretty good standing with the boys up at the capital city after all. Here and there now we want on behalf of the public express thanks and gratitude to Rathin Huddleston and Roddie who were inside the railing and President Biles J. W. Beard E. W. Hardin J. P. McKee and Otis Weaver who milled around among the law makes and loved them so ardently until the vote was taken. Now we all love them that is the go and—All we will forgive the three who voted against it but never would have had not the bill passed.

Ada's summer normal term is an assured fact. Hundreds of teachers will attend. Things will be lively during the vacation months and Ada and the East Central Normal school will march forward.

GOVERNOR SENDS HOTTEST MESSAGE

SCORES MEMBERS OF REPUBLICAN CAUCUS.

Says Republican Party of Oklahoma Has Been Disgraced—Held Up Report.

Guthrie, Ok., March 18.—In the most caustic message of the special session, sent to the Legislature today, Gov. Haskell scores members of the republican caucus for what he characterizes as an attempt to influence votes of republican members of the house investigating committee. The committee, composed of five democrats and two republicans, heard evidence upon charges filed by Representative Maris dealing with the expenditure of money through the executive office and the report is understood to be ready for submission. A report circulated today was that the republican caucus had instructed republican members to vote against the committee report under the pain, democrats allege of being 'read out of the party' and in making this the basis of the message the governor suggests that such alleged practices be placed in the same category as criminal libel punishable by fine and imprisonment.

Text of Message.

The message is as follows: You have pending before you for your consideration a bill to prevent the spreading and contracting of a loathsome disease by vaccination or otherwise and I recommend that you attach to said bill as a further means of promoting health purity of life and the promotion of the welfare of the state, a section of the following general import: When any person serving upon a jury in court or upon an investigating committee in any legislative or other public body of the state, where questions of fact or law are being considered and a truthful report according to the law the facts and conscience of the jurymen or members of such committee is required that pending such hearing preparation of the report or finding and the consideration thereof and until the final discharge of such jury or committee, it shall be an offense against the peace and dignity of the State of Oklahoma for any person, or aggregation of persons, whether as a party caucus or a committee, organization, or as individuals, by threats, resolutions of any kind, to influence such jury or committee in any way relating to the findings it may make upon such questions of fact or law, and the punishment by fine and imprisonment for such offense shall be the same as in other cases of promoting criminal libel upon a citizen.

Welfare of State. It can not be said that I seek any personal protection in this matter, because my term will have expired without future legislative session and therefore I can assert that it is solely for the welfare of the state that I urge this legislation. The credit and conduct of public officers is the standard by which the reputation of a state is measured abroad and therefore the reckless vilification of public officers is a stab in the back of the state or community over which they preside and the time has come in Oklahoma when this infamous practice of reckless vilification of public officers should cease and when we should imbibe more of patriotism and less of malicious recklessness to the end that when either political party has prevailed at the election and placed its candidates in offices for the ensuing term every honorable citizen will give honest and patriotic support to such officer and the citizen who would withhold such support and recklessly vilify him can not too soon be stamped as a criminal and be punished for his unpatriotic conduct.

Refers to Investigation.

Referring to the investigation for which the House committee was appointed the message says: The hearings were had, the evidence introduced, the arguments made and left to themselves, the honorable committee would long since have rendered its report, but to the discredit of some of those who claim to represent one of the great political parties of the nation, they have presumed to make the competence, honesty, integrity of some of

the members of that committee a matter of caucus partisanship where the conscience of those members could be bandied about and voted upon as a partisan matter by men who had heard no evidence studied no facts and were not responsible for the honest conclusions that should be attained. Can it be conceded for one moment that this caucus can look the people of Oklahoma in the face and say, As a party caucus we demanded of certain members of this committee that their oaths should be violated, their conscience laid aside and petty politics made out of the sacred right of a citizen and a public official?

It is the privilege of one of these caucus dictators, who, after having acted as an attorney in the hearing of those charges, after having examined his witnesses and made his arguments and filed his brief, is it still his privilege to go into the secret sessions of a partisan caucus and there seek to dictate to the honorable members of this committee by a partisan vote of those who are not upon the committee?

Calls Attempt Disgrace. The great republican party of this state with its thousands of honorable members can never fall to feel the disgrace that was attempted night before last when a partisan caucus demanded of its members that they ignore their oath ignore their conscience and look only to petty contemptible partisanship.

This persistent caucus action which has held up the report of this committee for days has become so well known to the public in general as to have fully convinced the public that nothing but the party lash wielded by men too cowardly for open combat has prevented an earlier report.

We fully realize that men of the highest honorable purpose may hesitate to be guided by their conscience when the threat is held over their heads that they will be condemned by their party organization and it is no wonder that they deliberate and hesitate in taking action in the presence of such threat and yet it is vastly to their credit that they refuse to submit to such partisan dictation and urge the enactment of law as stated, so that future public officers and the reputation of Oklahoma in the future may not be embarrassed and blasted by a recurrence of such infamous practice as this caucus resorted to in this instance. If the purity of juries and like committee service is to be destroyed, and partisan or personal spite be substituted for honest conscience, the time has completely

when law should penalize such practice. Respectfully submitted.

C. N. HASKELL Governor. In this connection the republican caucus adopted a series of declarations in regard to the investigation and the proposed report which, it is understood, were limited to the Maris charges upon the fiscal affairs of the governor's office.

Basis of the Maris charges is that he, the said C. N. Haskell has mismanaged the public funds under his control, and in its declarations the caucus finds that the charges have been sustained in every particular. This includes payments of money to O. T. Smith and Detective Lawler of Oklahoma City, employment of Attorneys Hutchings and Day and John Fienner, a Washington newspaper correspondent, as statistical clerk, and the employment of W. B. Anthony, member of the legislature as private secretary to the governor. In addition the caucus declared the charges as to paying an additional salary to Lieut. Gov. Bellamy and the expenditure of money through the state school fund department to have been sustained.

Justice of the Peace, Ada Precinct:
HENRY J. BROWN

A. M. CROXTON.

Judge A. M. Croxton today author-
izes his announcement for the office
of County Judge, subject to the ac-
tion of the democratic primary.

It will be remembered that Mr.
Croxton was a very formidable can-
didate for this office three years ago,
but was forced to withdraw on ac-
count of a severe attack of rheuma-
tism which held him close to his
bed of affliction almost during the
entire campaign; but during this
campaign it is hoped that he will be
able to run the race to a finish.

Judge Croxton has enjoyed a pros-
perous practice at the bar for a good
number of years, and is thoroughly
qualified to occupy the county judge-
ship. If there is any one thing known
absolutely about this lawyer and
gentleman it is the fact that he
stands pat on all question having to
do with the morals of the community.
He is a christian gentleman of the
highest order and there is little doubt
but what if elected he will give the
county a clean and worthy adminis-
tration. We commend him to your
thoughtful consideration.

W. T. COX.

We take pleasure in announcing to
the public that Col. W. T. Cox of-
fers himself as a candidate for the
office of District Clerk of Pontotoc
county, subject to the action of the
democratic primary. Mr. Cox has
served the county in this capacity
since statehood and has made a
good and efficient official. In fact
he is at home in the district clerk's
office, having served his old Texas
home county, Collin, as clerk for
several consecutive terms. Mr. Cox
is a level headed democrat and very
pronounced in his convictions as to
party policy and behavior. He is a
good citizen, good neighbor, and a
good friend and deserves thoughtful
consideration at the hands of Ponto-
toc county democrats in the coming
campaign.

How about the laws against gam-
bling? Do they apply to Ada any more?
Didn't know, 'so, just thought we
would ask.

Business Manager Wants Injunction
to Keep Aeroplanes.

New York, March 18.—Arguments
on the application of Edwin Cleary,
business manager of Louis Paulhan,
the French aviator, for a permanent
injunction restraining Paulhan from
taking his four aeroplanes out of the
country were heard today before Su-
preme Court Justice Newburger.

Frederick H. Van Zandt, Mr.
Cleary's attorney, said that by the
terms of Cleary's contract with Paul-
han the aviator was to receive a sal-
ary of \$24,000 a month for giving
aeroplane exhibitions in this coun-
try. Paulhan stopped his flights on
account of the injunction obtained by
the Wright brothers restraining him
from giving exhibitions. An arrange-
ment was made whereby the Wright
brothers would be reimbursed if they
won their suit, but despite this fact,
Paulhan, after giving two exhibi-
tions at Jamaica, said he was going
back to France.

The lawyer said Mr. Cleary had
spent \$110,000 in salary and expenses
and that if Paulhan would make the
flights contracted for he might get
back some of the money. The court
gave the lawyers on both sides un-
til Friday to file briefs.

MRS. INGERSOLL GETS FREE.

Widow Is Paid for Husband' Legal
Services in Will Contest.

Boston, March 18.—After a ten
years' legal struggle, Mrs. Eva Ingersoll
of Dobbs Ferry, Nev., received to-
day a fee of \$133,323 due her late
husband, Col. Robert G. Ingersoll, for
his efforts in contesting the will of
Andrew J. Davis, the millionaire
mine owner of Butte, Mont.

The check was made out by the
clerk of the United States circuit
court. The result of this suit is only
a phase in the twenty-year contest
over the Davis estate.

Robert G. Ingersoll was engaged
to break the will, but instead got a
large settlement for the contesting
heirs, and the court awarded this es-
tate the fee which was paid today.

Sawed-Off Shotgun and Revolver Evi-
dence Against Suspects.

New York, March 18.—Nervous and
with roving eyes, Enrico Caruso the
tenor, appeared in a Brooklyn po-
lice court today as a witness against
Antonio Mislano and Antonio Cincotti
who are accused of trying to extort
\$15,000 from him by threatening let-
ters signed "Black Hand." Two body-
guards accompanied Caruso on the
subway and into court.

The letters were read, and a re-
volver found on one prisoner and a
sawed-off shotgun thrown away by
the other when they were arrested,
were offered in evidence. Detectives
testified to watching the spot where
Caruso's secretary had left a bogus
bank roll as instructed in the let-
ters, and told how they made the ar-
rest. The prisoners were held in \$5-
000 bail, pending further examina-
tion.

DON'T BE BALD

Almost Any One May Secure a Splen-
did Growth of Hair.

You can easily find out for your-
self if your hair needs nourishment,
if it is thinning, getting dry, harsh
and brittle, or splitting at the ends.
You simply have to pull a hair from
the top of your head and closely ex-
amine its root. If the bulb is plump
and rosy it is all right. If it is white
and shrunken your hair is diseased
and needs nourishment.

We have a remedy for hair trou-
bles that cannot be surpassed. It has
a record of growing hair and cur-
ing baldness in 93 out of 100 cases
where used according to directions
for a reasonable length of time. It
will even grow hair on bald heads
if the scalp is not glazed and shiny.
That may seem like a strong state-
ment—it is, and we mean it to be,
and no one should doubt it until they
have put our claims to an actual
test.

We are so sure that Rexall "93"
Hair Tonic will completely eadi-
cate dandruff, prevent baldness, stim-
ulate the scalp and hair roots, stop
falling hair and grow new hair, that
we personally give our positive guar-
antee to refund every penny paid
us for Rexall "93" Hair Tonic in ev-
ery instance where it does not do
as we claim or fails to give entire
satisfaction to the user.

Rexall "93" Hair Tonic is as pleas-
ant to use as clear spring water. It
is perfumed with a pleasant odor,
and does not grease or gum the hair.
We have it in two sizes, prices 50
cents and \$1.00. We urge you to try
Rexall "93" Hair Tonic on our rec-
ommendation and with our guaran-
tee back of it. You certainly take no
risk. Remember, you can obtain Rex-
all Remedies in Ada only at our

IN SOLITARY CONFINEMENT.

Alf Hunter, Negro Sentenced to Hang
April 8 at Watonga.

Guthrie, Ok., March 18.—Alf Hun-
ter, a negro, convicted of the murder
of Sheriff Garrison of Oklahoma
County, and the date of whose execu-
tion is set for April 8 at Watonga,
Blaine county, is in solitary confine-
ment at the McAlester penitentiary.
Hunter was being pursued by an Ok-
lahoma county posse, led by the late
Sheriff Garrison, for the murder of
a woman at Oklahoma City, and in
a running fight near Watonga the
sheriff was killed. The negro escaped
to Arkansas, and was arrested for a
crime committed in that state. The
Arkansas officers refused to suc-
render the prisoner until Governor
Haskell gave his official guarantee
that Hunter would be protected in
Oklahoma and given trial. He was
returned to Blaine county, convicted
and given the death sentence.

Pending decision of the case on
appeal, the negro was taken to Mc-
Alester for safe keeping. Recently
the court affirmed Hunter's convic-
tion, naming April 8 the date for
execution and the prisoner was then
placed in solitary confinement un-
der guard. He will not be taken to
Watonga until the day before execu-
tion.

LEGISLATURE VOTES TO ADJOURN TODAY

DAY IS SPENT BY CALLING THE ROLLS.

Taylor Bill Finally Passed—Bryan Election Law Goes Through House.

Guthrie, Ok., March 18.—Both houses of the legislature today adopted a concurrent resolution adjourning the special session sine die at noon tomorrow, and spent the day in calling the roll on final adoption of bills and conference committee reports.

The House adopted the senate's amendments to the Jahn-Burnette bill which abolishes the state and local dispensaries, after the measure had gone through a conference committee. As the bill goes to the governor the state ceases the sale of intoxicating liquors on doctors' prescriptions or otherwise to the individual purchaser for medicinal purposes and maintains the state agency only for wholesaling alcohol for pharmaceutical scientific purposes. The act requires that all liquors confiscated shall be sold under direction of the state agent, and after retaining 10 per cent of the net proceeds, the state remits 90 per cent to the county, district or city where the seizure was made, there to be applied to the salary funds. The only division of the vote today was on the part of those members who believed all confiscated liquors should be destroyed. The bill passed finally in the house by a vote of 56 to 35.

It is intimated in the lobbies tonight that the Governor will veto the legislation for the reason he did not recommend this phase of the statute to the legislature for consideration.

The Bryan election law was put amendments by a vote of 59 to 25. The law returns to the emblem ballot feature of the old Territorial election law, creates state and county and precinct election boards, and at the polls to handle the vote provides two clerks and two counters. No more than half of this force shall be from the same political party.

Another election measure passed finally in the house was the Taylor bill, amending the initiative and referendum act of the First legislature and the fixing a procedure for submitting constitutional amendments to a vote of the people. Only those amendments initiated by the people and which were first suggested by the legislature can be submitted under terms of the Taylor law and its approval will pave the way for submitting the so-called "grandfather" clause to the suffrage article of the Constitution.

Cope's bill re-enacting the Territorial law for challenging voters was passed.

Russell's bill apportioning the state into judicial districts passed the house but against it the republican minority made a final stand. As amended, the bill calls for eighteen districts and twenty-nine judges. The district of Washington, and Osage counties was abolished and they were added to Ottawa, Craig, Nowata Rogers and Mayes counties, with two judges. The number of judges for the

Muskogee-Bryan county district was increased from three to four and the district revised into nominating sections as follows: Oklahoma, Johnston and Marshall counties; Pittsburg and McIntosh counties, with Bryan county and Muskogee county each by themselves. The Oklahoma-Carter county district was given four, in place of three, judges, and the nominating sections arranged as follows: Cleveland and McClain counties; Garvin and Murray counties; Carter and Love counties, and Oklahoma county in a nominating section by itself.

Blaine county was taken from the proposed district of Jefferson. Stephens, Grady, Caddo and Canadian counties and the district given two, in place of three, judges, and the nominating sections made as follows: Blaine, Canadian and Caddo counties; Grady, Stephens and Jefferson counties. Blaine county was then added to the district of Kiowa, Washita and Custer counties. The Eighteenth, or Jumbo, District of Western Oklahoma, which has three judges, was placed in the following nominating sections: Harmon, Greer, Beckham, Roger Mills, Dewey, Ellis, Woodward and Woods counties, to nominate two judges, and Harper, Beaver, Texas and Cimarron counties to nominate one judge. Under Mr. Durant's amendment, which the house adopted the new apportionment does not become effective until after the next general election, but requires nominations to be made under its terms.

WOMEN ENTER CAMPAIGN.

Christian Temperance Union Will Oppose Plan.

Wewoka, Ok., March 18.—Behind closed doors in the Baptist church today twenty members of the state executive committee of the Woman's Christian Temperance Union, headed by Mrs. Cora D. Hammett of Oklahoma City, president, began laying plans for a state-wide campaign against the resubmissionists who are to open their campaign in Oklahoma Saturday night. Resolutions were adopted commending Gov. Haskell for refusing to officially accept the petitions filed with the secretary of state by the high license advocates, and provision was made to employ counsel to defend the prohibition ordinance of the constitution on the grounds that an appeal would not be legal under the enabling act and Indian treaties. Miss Lillian N. Phelps of New York addressed the committee tonight.

ARCTIC EXPLORER DEAD.

Figured Prominently in Functions Arranged in Honor of Dr. Cook.

Copenhagen, March 18.—Commodore Hovgaard, the Danish Arctic explorer, died today.

Commodore Hovgaard figured prominently in the functions arranged in honor of Dr. Frederick A. Cook upon his recent visit to Copenhagen, and he was one of the first to credit the claims of the American explorer. Following the rejection of Cook's claims by the University of Copenhagen, the Danish explorer declared that though it had not been proved that the American did not reach the North Pole, he could regard Cook thereafter only as an imposter.

GENERAL'S BODY NOT WANTED.

Medical Society Declines to Dissect, as Will Provides.

Peoria, Ill., March 18.—Among the many peculiar provisions of the will of the late General John Greene Ballance, who died at Miami, Fla., about a month ago, was one giving his body to the Peoria Medical Society for dissection. The provision was carried out, insofar as offering the body was concerned, but today the medical society declined to accept the tender and the body will be interred.

PEARY'S BOTTLE PICKED UP.

Found Off Kinsale, Ireland—Thrown in Sea Off Greenland.

London, March 18.—A bottle which was thrown overboard from Commander Peary's Arctic ship Roosevelt off Greenland September 2, 1909, was picked up off Kinsale, Ireland, today. A letter enclosed in the bottle and addressed to E. Millan of Frankfort-on-the-Main says that the bottle was set adrift with the object of ascertaining the rate of the current on the Labrador coast.

WILL BURN UP MILLIONS.

Uncle Sam Is in the Market for Much Ammunition.

Washington, March 18.—Nearly \$2,000,000 was the aggregate value of the shot and shell which the navy department today sought to buy. There was a wide difference between the figures presented by the various companies and firms which entered the competition.

Green Mayonnaise for a green luncheon: Take leaves of chevril, tarragon, chives, parsley and spinach, lettuce, or water cress and pound them in a mortar with a teaspoon of lemon juice. Express the juice from this mixture and add it to the mayonnaise. In this form it is called Ravigote sauce. For deeper coloring add mashed green peas.

Halibut Timbales for a white luncheon: Take a half pound of halibut, cut it into fine pieces and pound them in a mortar until they can be passed through a sieve. Mix a cup of white bread crumbs, and a half cup of milk. Stir these over the fire to a smooth paste. Then remove from the fire and mix with the fish, adding a half teaspoon of salt and a dash of paprika. Beat lightly the whites of five eggs, and add to the mixture. Fill a buttered (double mold), or the individual molds as preferred, and set them in a pan of hot water in a moderate oven. Bake 20 minutes, and serve with a white sauce.

Pistache cake for a green tea: Make a three-layer cake with the whites of nine eggs, two cups of granulated sugar, three heaping cups of flour sifted several times, one cup of butter, one cup of milk, two teaspoons of baking powder, and one teaspoon of lemon juice. Between the layers put a cream filling made of the yolks of five eggs, a half cup of sugar, one teaspoonful of corn starch, and two cups of boiling milk. Stir over the fire until thick, then flavor with orange flower water and bitter almonds, to give it a pistache flavor and color a delicate green with confectioner's color. Tint the icing also green and sprinkle with chopped pistache nuts.

Fruit Salad: Select a pineapple, if possible with the green tufts at the end. Cut it off horizontally one-third from the top and scoop out the greater part of the inside. Peel three neartine oranges and cut them in small pieces; in like manner peel and cut four bananas. Peel and take the seeds out of two pounds of Muscat and California grapes. Put all these in a bowl. Take another bowl and squeeze into it the juice of two oranges, and add a half-pound of powdered sugar, a half-pint of maraschino, a gill of brandy, and three tablespoons of crushed ice. Mix well and having filled the pineapple with the fruit, pour over the dressing, cover with whipped cream and decorate with grapes.

Chestnut Salad: Boil until tender Italian, French or Spanish chestnuts, remove the shells and skins and rub them through a sieve. Pile them in a light powdery heap in a glass dish. Pour over them a wine glass of sherry or Marsala, and cover with whipped cream.
